### PATIENT TESTIMONIALS

<p><b>Mitra K.</b></p> <p>"Thank god for Dr. Bilchik. If you're in need of one of the best GI oncologists on the west coast - this is the guy to go to. He is responsive, attentive and really cares about his patients. I must have driven him crazy with the hundreds of questions I asked him while my family member was (and is) in his care..."</p>	<p><b>Nik N.</b></p> <p>Dr. Bilchik is an amazing doctor and a great person. He operated on my husband when he was diagnosed with esophageal cancer. He performed esophagectomy. It takes great skill to do it right and he made sure that all after care was on point. For us he was God sent and in my opinion he walks on water..."</p>
<p><b>Michael W.</b></p> <p>"I have been a patient of Dr. Bilchik's since early 2015. he operated on me with the DaVinci robot on April 8, 2015, for colorectal cancer. The day before my..."</p>
